OTHER CITIZENS, AND VARIOUS SERVICES WHICH THE TAIPEI MAY RENDER TO THE PEOPLE  
AND THE COUNTRY ATTACHED THERETO.

3. **PORTAGE.**—The rates given in the scale cover portage by the Trust, except in the case of live goods, coal, coke, oil, gas, ore, explosives, firewood, because in these or some, empty oil cans, railroad, timber, and all goods loaded onto the harbor. If any of the goods per mentioned are loaded by the Trust, it will levy an additional charge of 4 cents per ton and also storage charges, if incurred, but will accept no responsibility in respect of such cargo. Whenever the Port Trust relinquishes the portage of non-durable's outgoing cargo, the rates of harbor dues on such cargo

will be 4 annas less than those quoted in the above scale of rates; this reduction will not, however, apply to the transshipments given above. Whenever the Port Trust relinquishes the portwage of iron or steel, consigned to others than the Government, the rate of harbour dues thereon will be 4 annas per ton less than that quoted in the above scale of rates.

5. **STEAMER PORTWAGES.**—When the Trust handles goods into or from railway or other vehicles by land labour, the charge will be 4 annas per ton. For portwage due by the Trust and not covered by harbour dues the charge will be the actual amount paid by the Trust for such portwage, with 4 annas per ton as a minimum.

6. **MINIMUM CHARGE.**—If the aggregate of all charges payable to the Port Trust in respect of any one consignment shall amount to less than 4 annas, a minimum charge of 4 annas will be levied for that consignment.

7. **GOVERNMENT STORES.**—For baggage accompanying troops and for all Government stores except those of the descriptions enumerated in paragraph 1, a uniform rate will be charged of Rs. 2 per 100 cwt., or per ton of 2,240 cubic feet, inclusive of all crackage. This rate does not include storage, which will be levied at the usual rate. Whenever the Port Trust relinquishes the portwage of the Government stores referred to, the rate of harbour dues for such stores will be Rs. 1-43-0 per ton instead of Rs. 2.

8. **STEAMER, CARGOES.**—(a) **Repacked.**—The goods not cleared within four days following the date on which the vessel concerned shall have completed discharge at her berth, and awaiting discharge and Clearance of Customs holidays, storage will be charged at the following scale:—

For the 1st week or portion thereof	.. ..	quarter harbour dues
For the 2nd week	.. ..	half "
For the 3rd and following weeks, or parts thereof	.. ..	three-quarter dues, per week.

After storage charges begin to accrue, no allowance will be made for Sundays or holidays. Half storage rates will be charged if goods are stored in the open without covering of either tarpaulin or roof. All goods remaining unloaded at the expiry of the free days will be liable to a reduced fee of 4 annas per ton, if shifted by the Port Trust to the interior of wharf premises.

(b) **Exports.**—For goods stored in the eastern export shed, a charge of Rs. 1 per ton will be made for each space of 100 square feet, for the first week after the expiry of four free days, and including Sundays and Clearance of Customs holidays. For the second week, double the rate for the first week will be charged. After the free days, small consignments, or individual packages, will be charged at the rate of one anna per package per day for the first week, 5 annas per package per day for the second week and 4 annas per package per day for the third and subsequent weeks. For only half the above scale will be charged when export goods are stored in the open, or in what are known as the old, or western, export sheds. No free days will be allowed for goods brought for export into the Trust's premises but subsequently removed without having been shipped.

9. **STORAGE, GENERAL.**—Persons requiring out-of-door storage space on the Trust's premises, at special storage rates, may obtain it, if available, by making prior application, in writing, for a permit in the form prescribed by the Trust from time to time. But it will be at the Trust's discretion to consent or to refuse to allow such space. If allotted, the conditions and charges will be:—

(a) For bulky goods stored in the open, such as coal, coke, gum, timber, sawn logs, firewood, redwood, stone, etc., at the rate of 2 annas per day, per 1,000 square feet or portion thereof allotted to them.

(b) For cargo stored in the export sheds, at the rate of Rs. 4 per calendar month or portion thereof, per 100 square feet allotted to them.

(c) In applying to be let store goods on space available for such use, these terms, owners must state that, in consideration of the reduced rates, they accept all risks and responsibility for such goods.

(d) The complete space under these terms will be subject to the conditions set forth in the permit. In the absence of the permit, ordinary storage rates will be charged.

(e) Timber despatched by rail may lie free for five days at the railway-vehicle loading ground, in the timber yard, after which it will pay 4 annas per day, per 100 square feet occupied.

10. **LOSS AND DAMAGE.**—(a) After allowing for such free days as the Port Trust may see fit to grant, the following charges per ton per day will be made for the storage of undelivered balances of cargoes:—

First month	.. ..	4 pds.	Third month	.. ..	2 annas.
Second "	.. ..	1 anna.	Later months	.. ..	4 "

(b) If, in the interests of the Trust's business, it is found necessary to shift any of such iron or steel, the charge to the consignee for so removed will be 3 annas per ton for each shift.

(c) Iron or steel remaining unremoved, beyond the end of the day following delivery, will have to pay 4 annas per day for each 100 square feet or part thereof occupied.

11. **CHARGES.**—(a) For the storage of goods in any wharf, pier, dock, land or building in the possession or occupation of the Board, the charge for each package, by weight or measurement, will be as follows:—

	at the rate of	Rs.	d.	p.	per ton per month.
Up to 1 ton	.. ..	3	0	0	" "
Over 1 ton and up to 5 tons	.. ..	2	6	0	" "
Over 5 tons and up to 10 tons	.. ..	4	0	0	" "
Over 10 tons and up to 15 tons	.. ..	6	0	0	" "
Over 15 tons	.. ..	6	0	0	" "

(b) But when a rate, in the scale, is quoted per package or per animal, it includes all crackage.

(c) All goods passed out over the export pier, or passed in at the head basin iron yard, and all timber other than soundings landed in the timber yard, will pay 4 annas per ton storage, whether the vessel that have been provided for such goods are used or not. Charges here for loading timber into or out of railway wagons at the Right House timber yard will be charged for at the rate of one rupee per ton per hour or part thereof.

2. **Railway Traffic.**—(a) *Alms.*—Hire charges accruing on vehicles employed in the harbour premises will be collected by the Trust on behalf of the owning Railway.

(b) *Rebates.*—Vehicles loaded from a Railway will be loaded by the Trust, on behalf of the owner, at the rate of 2 annas per ton of loaded wagon separately for each round trip.

(c) *Demurrage.*—When railway vehicles that have been made over by the Trust to firms or individuals for loading or unloading are detained beyond the period specified for each work by the Trust from time to time, such firms or individuals shall pay to the Trust any demurrage charges for which the latter may become liable to the Railways, in consequence of such detention, according to the railway demurrage scale.

(d) *Transshipment.*—Goods manifested for transshipment and transhipped from ship to ship, whether directly or via the shore, will pay only quarter harbour dues. When handled by the Trust, such goods will pay a further sum of 4 annas per ton for each operation, either in or out. Cargoes will not be charged on such goods. Coal and petroleum fuel, which has paid harbour dues on loading, will be recharged free of dues. If the tonnage of transhipped goods cannot otherwise be readily ascertained, dues will be levied on the tonnage of the lighter or other craft conveying them.

(e) *Overtime Working.*—Steamer agents, who require cargo to be handled by the Port Trust outside the ordinary working hours, shall pay in a regular application for such overtime working, not less than 4 a.m. on the other day, or in the case of Sundays and holidays on the previous working day, and shall pay to the Trust overtime fees on the following scale, whether subsequently they offer cargo during such outside hours or not:—

(b) *Exports.*—Applications for refunds of dues paid on goods intended for export but not shipped will not be considered unless submitted within six months from the date of departure of the vessel concerned, and refunds will only be made after the goods in question shall have been removed from the Trust's premises and as proof of short shipment.
